For the first time in the history of the Public Schools Athletic League, a team representing the Bronx yesterday won the annual elementary school indoor track and field championship. It was the sixteenth renewal of the event and was held in the Twenty-second Regiment Armory. The title went to the youthful athletes from P. S. No. 40, only after one of the keenest struggles ever witnessed in these games. The Bronx lads won by the scant margin of two points. They collected twenty-six points while the lads from P. S. No. 62, Manhattan, gathered twenty-four. It was not until the last event was over that the Bronx lads were sure of the title.

Public School No. 14, Manhattan, finished third with a tally of nineteen, while the lads representing P. S. No. 154, also of Manhattan and last year's champions, were fourth with fifteen points. P. S. No. 19 of Manhattan was placed ninth with seven points, topped the other schools from that borough. P. S. No. 10 of the Bronx, finished fifth and sixth, respectively. Twenty-two other schools representing all five boroughs, broke into the scoring column.

More Than 2,200 Competed.

Before the 40 yard dash was run off, the first event on the programme, the young athletes, 2,200 of them, the largest number that has ever competed in a set of these games, circled the drill field and were brought to a halt with the playing of "The Star Spangled Banner" by the band from the U. S. S. Revere. Following the national anthem, the competitors and the 4,000 persons who crowded into the armory saluted the flag. General George W. Wingate, president of the P. S. A. L., then made a short address to the boys, as did Edwin H. C. Schull and Commodore Henry Morrell, both of the navy yard. Gustavus T. Kirby, vice-president of the P. S. A. L., also addressed the boys.

Although four boys smashed the record in the 40 yard dash, only one will be given credit for the new mark. The lad who will go down in the official record book as the holder is Michael Unger of P. S. No. 184, Manhattan. Unger is given credit for the record because he won. The other boys, J. Moskowitz of P. S. No. 19, Manhattan; J. Goldstein of P. S. No. 10, the Bronx, and Joseph McArevey of P. S. No. 37, the Bronx, all covered the distance in the same time as Unger, but in the heat, but Unger completed the distance in six seconds in his trial heat and in the final heat, which he won. The former mark was 6 1-5 seconds and was made last year by Joseph McArevey finished second to Unger and Raymond Aberle of P. S. No. 16, Manhattan, was third. Goldstein was fourth. This was the only mark to suffer.

Close to the 70 Yard Time.

Another lad to come near bettering a mark was George Adachi of P. S. No. 160 of Brooklyn. The Brooklyn lad in the semi-final heat in the 70 yard dash covered the distance in 2 1-2 seconds, which was only one-fifth of a second better than the record made in 1909. In the final heat he was hard pressed by E. Marus of P. S. No. 15, Manhattan, who he beat by a whisker.

No. 19 Gets Two Relay Races.

The relay teams from P. S. 19 of Manhattan captured two of the five relay races. The boys from 19 won the 440 yard relay for 110 pound boys and was first in the half mile relay for unlimited weight. Their best performance, however, was in the 440 yard event, in which they won by five yards in 56 4-5 seconds. They won the half mile relay by a yard from the four from P. S. 14, Manhattan.

Bronx Lad Gets High Jump.

William Stabert of P. S. 40, The Bronx, took the 85 pound running high jump with a leap of 4 feet 6 inches. The standing broad jump for 85 pound boys, the only other event in the same class, went to I. Lobel of P. S. 64, The Bronx.

Davis Cup Challenge to Be Taken Up in February

Recommendation of Executive Committee of National Association Sure to Be Acted on Favorably at Annual Meeting in This City.

Official confirmation of the story that the United States National Lawn Tennis Association was to send a challenge to the Davis Cup to Australia, as told in this city yesterday, was obtained at the offices of Paul Williams, field secretary of the association, in this city yesterday. The executive committee's recommendation made on Friday will be passed on by the association as a whole at the annual meeting in this city in February, and it is quite certain the challenge will be sent.

Those present at the meeting which adopted the resolution were Major George T. Adee, president; Julian S. Myrick, vice-president; Edwin P. Torrey, secretary; A. H. Chapin, treasurer, and three sectional delegates: A. L. Hoskins, Philadelphia; A. Y. Leach, Jr., Washington; and C. W. Smith, Atlanta. Edwin E. Shaefer, Boston, and Paul Williams, Hartford, the resolution follows:

"Whereas the world war has ended, and whereas there has been no international competition in tennis since 1914, and whereas the resumption of such contests will help cement international friendships; now, therefore, be it resolved, That the annual meeting of the U. S. N. L. T. A. empower its executive committee to take such steps as may be necessary to reestablish the Davis cup contests, the next one to be held in 1920. Be it further

"Resolved, That the executive committee be hereby empowered to defray the expenses of such competition from the treasury of the U. S. N. L. T. A."

The foregoing, if adopted by the annual meeting in February, will announce to the world that the United States favors renewing these contests, so that preparations can begin at the earliest possible moment to develop suitable teams. As notice of desire to compete must be given to the champion nation not later than the first Monday in March of the year in which the contest is to be held it can be seen that action by the association thus early is not premature.

Another resolution, intended to relieve clubs that have been hard pressed during the war, offers them the option of giving certificates or standardized medals authorized by the association, in place of more expensive trophies. This suggestion was heartily indorsed, as it embodies the favorable features of holding tournaments for the clubs and tending to promote to the highest amateur standards by discouraging costly prizes. The resolution is:

"Whereas one of the great expenses of holding tournaments has been due to the cost of prizes; and

"Whereas players have come to regard

the association's support in the last loan. The proposal was referred to the officers with power.

Torrey read a letter from Clinton L. Childs of Pittsburgh, chairman of the most discussed committee on equalization of voting power, saying that the committee had been unable to agree on definite recommendations but hopes to have a plan outlined for consideration at the next meeting.

The secretary also read a letter from Charles Garland of Pittsburgh, referring to the creation of a proxy committee, which was discussed at the last annual meeting.
